

**FACT** - Your health will suffer  
from passive smoking  
**FICTION** - Your Union will suffer  
from banning smoking

Clearing up the fiction:

**FICTION** - Bournemouth and Leeds' Unions banned smoking and lost money!

**FACT** - Yes, they did. However, their bans have several major differences. First, their policy was decided on at AGMs, not referenda and so the vast majority of their students didn't really have a say. Second, both bans were trials and encouraged smokers to boycott their establishments.

**FICTION** - A smoking ban means cuts and the eventual closure of the Union!

**FACT** - Only if YOU stop visiting YOUR Union. The Union makes its commercial income through YOUR visiting of the Union, it's up to YOU whether this ban is a success or not.

**FACT** - Smoking and passive smoking are known to cause the following:

Eye irritation, headache, coughing, sore throats, dizziness, nausea, asthma, erectile dysfunction, cancer and heart disease.

**FACT** - Your health will suffer
